

Ship to the Moon

We get in the ship.

We sit.

We zip.

The ship lifts up.

Up, up, up.

We see the sky.

We see a star.

The star is far.

We see the moon.

The ship goes on.

We go fast.

Zoom!

The moon is big.

The moon is gray.

We land.

We hop on the moon.

We dig in the sand.

We find a rock.

We pack the rock.

We get back in the ship.

We go home.

We are home.

We see the moon.

We had fun.
