Ship to the Moon

We are home.

We see the moon.

We had fun.

We get in the ship.

We sit.

We zip.

The ship lifts up.

Up, up, up.

We see the sky.

We pack the rock.

We get back in the ship.

We go home.

We hop on the moon.

We dig in the sand.

We find a rock.

We see a star.

The star is far.

We see the moon.

The ship goes on.

We go fast.

Zoom!

The moon is big.

The moon is gray.

We land.
