Tom and the Hot Box

Tom hugs the box bot.

Tom hugs Mom.

"Good job, Tom!"

Tom spots a box.

The box sits in a hot spot.

Tom stops.

Tom asks Mom.

"Can I get the box?"

Mom looks at the hot box.

Tom taps the box bot.

"Hop, box bot, hop!"

Tom and Mom hop.

Tom puts dots on the box.

Tom puts knobs on top.

The box is a bot.

Mom puts on big mitts.

Mom gets the box.

Tom does not touch it.

Mom sets it in a cool spot.

Tom and Mom wait.

The hot box can cool.

Mom checks the box.

"It is not hot," says Mom.

Tom nods.
